

## Other Products Available

- Audio Amplifier
- Battery Management
- DC-DC Converter
- Switch
- Touch Screen Driver (Resistive)
- Led Driver
- Regulator
- RF Transistor
- Supervisor (Reset IC)
- EEPROM (ATMEL Compatible)
- Rectifier
  - o Schottky Barrier Rectifier
  - o Standard Recovery Rectifiers o Fast Recover Rectifiers
  - o High Efficient Rectifiers
  - o Ultrafast Efficient Rectifiers o Bridge Rectifiers
  - o Schottky Bridge Rectifiers
- Power Device
- Transient Voltage Suppressors
- Zener Diodes
- Small Signal Schottky Barrier Diodes
- Switching Diodes
- Transistors
- Switching Power Supply Regulators
  - o DC-DC (Step-Down)
  - o Non-Synchronous Switcher o Synchronous Switcher
  - o Buck Controller
  - o DC-DC (Step-Up)
  - o Synchronous Switcher
  - o Non-Synchronous Switcher

## Other Products Available

- LDO Linear Regulators
- Half-Bridge and Full-Bridge Power Drivers
  - Full-Bridge
  - Half-Bridge
- Class D Audio Amplifiers
- Backlighting Solutions
  - CCFL Drivers
  - White LED Drivers (Inductors and Charge Pumps)
  - EL Drivers
  - WLED Illumination
- Battery Chargers
- Isolated and Transformer Based Power Supplies
- Precision Analog
  - Operational Amplifiers
  - High-Side Current Sense Amplifiers
  - Voltage Reference
- Power Over Ethernet (PoE) PD Solutions
  - PD Identity
  - PD Controllers
- Photo-Flash Solutions
- USB and Current-Limit Load Switches
- Intelli-Phase (Monolithic Driver Plus MOSFET)
- Intelligent Rectifier
- Supervisory Circuits/Voltage Supervisors
